SUMMER SCHOOL DATES:

Mon 14th to Thurs 17th August

Everyone seems to be enjoying this term, with lots of focus on syllabus; working hard in lessons, trying new classes and valuing their surroundings, teachers and friends. The studio really has a wonderful atmosphere, and lots of people are commenting upon it - young and "let's not ask".

DANCE PARENTS/GUARDIANS - please check emails for the dates when you can view your child/children in their lesson.

EVERYONE: Personal timetables are available on the email with your invoice - BLUE BOX that says TIMETABLE. This is your own schedule and not a generic one. Timetables and invoices for the Summer Term will be shared in the next few weeks.

HUGE CONGRATULATIONS to our young Tappers who were a credit to Miss Holly and achieved amazing results in their first exam.

As always, your support is really appreciated and never taken for granted. Thank you for making Northamptonshire School of Dance and Pilates the friendly, all inclusive environment that it is.

The students have been working hard to:

- Greet their teacher
- Be immaculately presented
- Be respectful to everyone
- Do their own buns...
- Not leave their water bottles

FRIDAY, 17TH MARCH

EVERYONE WELCOME:

6:00pm to 8:00pm

HAIR ACCESSORIES

Our tin of hair accessories, used by students who arrive and need to tie their hair back, or put their hair in a bun has been depleted. If you have any spare hair accessories (in particular - bobbles) to donate... the tin would be extremely grateful - any colour, they are not used for exams, just to keep hair tidy.

PRE-LOVED ITEMS

All of our sales from the pre-loved stocks are used to support various charities, and are extremely valued by everyone. Please do consider donating them to the studios - shoes, leotards, wrap overs, skirts, tights, socks, logo T-shirts and hoodies.

RAMBERT PEAKY BLINDERS

A number of our students and teachers watched this amazing performance and everyone left the theatre in awe of the whole spectacle they had viewed. If you get an opportunity to purchase tickets, we highly recommend that you do so. You will not be disappointed.

ENABLE THE LABEL

Please remember to label everything, as it ensures that we can return all misplaced belongings to their rightful owner. This saves lots of unnecessary emails and time trying to locate owners or items.

PERFORMANCES CONT....

A number of our older students performed beautifully in the Naseby Village Hall recently, to a packed audience, and they have another performance this Friday. We also have dates in the calendar for future performances at The Deco...*sshhh*, *Miss Natalie* may even be considering another production, sooner than the three years previously mentioned....

RAD EXAMINATIONS SOON

Please ensure that all students who are working hard for their ballet examinations have either a DVD, CD or have downloaded the RAD App. There really is something for every media preference, and the students do find them invaluable.
